### ASFALTSLATE SHINGLES

**T**HINK of the up-keep as well as the first cost when you build your home. Use Carey Asfaltslate Shingles and your insurance rates will be less. Your home will be safer.

You will never have to paint Carey Asfaltslate Shingles. The beautiful natural red or green stone colors of the slate is fadeless.

Your roof will not look shabby in a few years.

These shingles cannot crack, they do not warp, wind does not get under them, ice action cannot break them.

Furthermore Carey Asfaltslate Shingles do not rot. This is because they are composed of from 70 to 80% mineral matter.

They are inexpensive and are very easy to apply. Let us figure on your requirements.

### No Worms in a Healthy Child

Children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

### Notice

## ALL WRONG

The Mistake is Made by Many Okolona Citizens.

Look for the cause of backache. To be cured you must know the cause.

It's weak kidneys you must set the kidneys working right.

An Okolona resident tells you how.

Mrs. M. I. Farmer, Gaffin St., Okolona, says: "Along in the fall of last year my back started to hurt. I had such catches in my back I could hardly get up or down. I felt as though my back were being pulled apart. I could get no rest at night, there was such a constant pain clear down to my hips. I just rolled and tossed all night, trying to get rest. A friend recommended Doan's Kidney Pills and got me to try them. Doan's cured me so well I haven't needed a kidney medicine since."

Prices 50c at all druggists. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Farmer had. Foster-Milburn Co., Buffalo, N. Y.

### OWNERSHIP—

This Hospital is owned by the City of Tupelo and is a source of pride to its most progressive citizens.

### MANAGEMENT—

It is being managed by a Board of Directors, selected from the public-spirited citizens of Tupelo, who have freely donated their private funds to insure its maintenance. Many of our best citizens are making donations to this institution in the same spirit in which they support a church or public school.

### LOCATION—

The building is located on Main Street in Tupelo and may be reached by great National highways in six different directions, or by through trunk line railways in four directions.

### EQUIPMENT—

It is thoroughly modern in its equipment. The building was originally a Y. M. C. A., and for this reason the rooms are very spacious and well ventilated, being about twice the size of the average room in a hospital.

### PURPOSE—

The purpose of this institution is purely to relieve the sick and suffering and to lengthen human life.

### NURSES—

The nurses are efficient, careful, courteous, conscientious, Christian young ladies, desiring the highest respect in their noble profession.

### DOCTORS—

There is a regular staff of Lee County Doctors who have been selected to treat the patients in this hospital. All high-toned, respectable physicians are invited to practice in this institution, and the patients may feel free to select their own doctor regardless of location.

The new Goodyear Cross-Rib Tread Cord

## A Popular-Priced Cord Tire Without a Rival

The new Goodyear Cross-Rib Tread Cord Tire is built with genuine high-grade long-staple cotton as a foundation.

It is liberally oversize—the 4½-inch tire, for example, measuring nearly 5 inches.

The deep, clean-cut, cog-like pattern of its tread affords excellent traction even in snow and mud, engaging the road like a cogwheel.

The scientific distribution of rubber in this tread—the wide center rib and the semi-flat contour—gives a thick, broad surface that is exceedingly slow to wear.

This new tire is a genuine Goodyear through and through—in design, in material, in construction.

It costs less to buy than the net price you are asked to pay for many "long discount" tires of unknown reputation and value.

Why be satisfied with less than this efficient tire can give—why take a chance on an unknown make?

Compare these prices with NET prices you are asked to pay for "long discount" tires
